

Site Manager v3.7.42 Release Notes

1. Introduction

- 1.1 Site Manager v3.7.42 introduces a Help section and a new Excel format for reporting.

2. Help

- 2.1 Site Manager now includes a Help section for addressing common questions and issues. This new page can be accessed from the menu at the top of the portal where a Frequently Asked Questions section is provided along with a search bar so that users can focus on specific topics they maybe looking for.

3. New Report format

- 3.1 A new Excel format for weekly reports is now available alongside existing PDF reporting. Data is displayed in a separate row for each machine with the figures summarised for the week and displayed at the bottom. A workbook is provided where users subscribe to multiple reports.
